Mike Cebulski

Charlevoix, MI 49720
(231) 373-6341
mikecebul@gmail.com

Skilled software engineer with a background in web development, infrastructure, and security seeking a remote position that leverages my problem solving skills and attention to detail.

EXPERIENCE

BASES Recovery Center, Charlevoix, MI — *Counselor/Software Engineer*

June2019 - PRESENT

- Develop, refactor, deploy, and maintain 3 websites resulting in +$10,000 in online donations and +1,000 visitors per month
- Develop desktop application kiosk to orchestrate hybrid video conference meetings.
- Customize React frontend and CMS to meet the Director's requirements and expectations.
- Maintain VPS to host backend and database
- Maintain version control
- Maintain meaningful documentation
- Implement user authentication
- Maintain secure credit card processing
- Provide weekly counseling to 15-20 clients using evidence-based approaches such as Cognitive Behavioral Therapy (CBT), Dialectical Behavior Therapy (DBT), and Motivational Interviewing to facilitate their recovery process

EDUCATION

North Central Michigan College, Petoskey, MI — *CIS*

Fall 2019 - 2021

Bachelor's degree in CIS via a reverse transfer agreement through Ferris University currently on pause with a total of 38 credits with a 3.798 GPA.

PROJECTS

Zoom Hybrid Meeting Kiosk — *Electron.js Desktop app*

Desktop app to be used as a Kiosk for starting Zoom Hybrid Meetings. This solved several issues and saved us from buying into more Polycom equipment and a Zoom Rooms subscription.
